

Professional Accountability Unit

Use of Force Mid-Year Report

The Professional Accountability Unit conducted 65 Use of Force reviews involving 84 officers from January 1 to June 30, 2021. Of the 65 reviews, 60 were found to be within policy, 4 were unfounded, and 1 was found to be outside of policy. Unfounded means a claim of injury was made, but the use of force review could not substantiate an injury or the incident did not happen as claimed.

5%

Use of Force occurred in 5% of 1,285 physical arrests.

1

*Use of Force was found to be outside of policy in 1 incident.

*The officer found to use force outside of policy was disciplined and placed on a performance improvement contract.

Types of Force:

- OC Spray - Oleoresin Capsicum
- CEW Deployment - Conducted Energy Weapon (Taser)
- Special Impact - Any non-lethal or less-lethal weapon system which is designed to fire an impact type projectile
- Animal Euthanization - removing an animal from suffering
- Physical - The application of physical techniques to overcome resistance by another person.

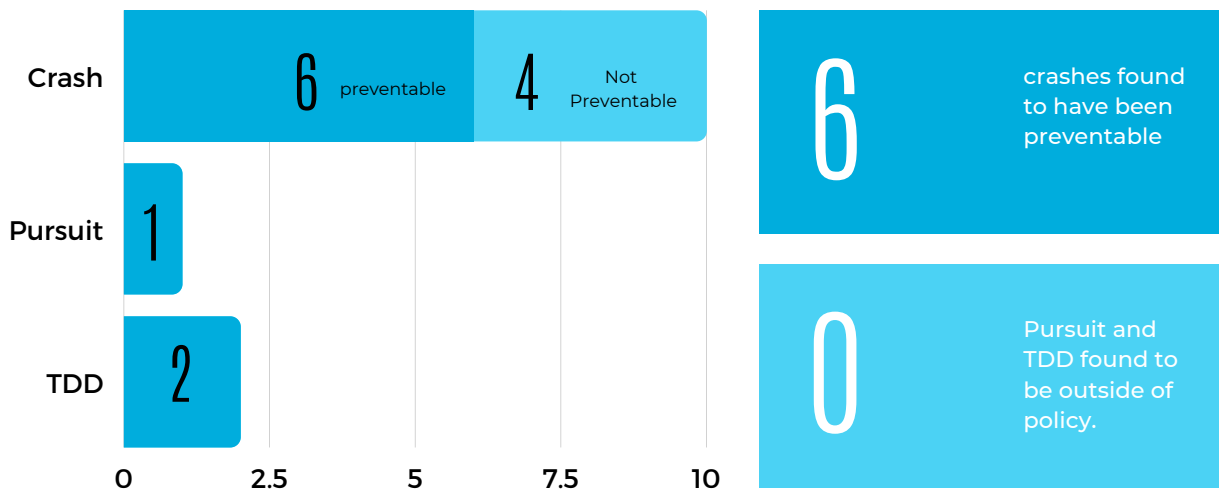

Use of Force occurred in less than 1% of 47,927 calls for service.
